I, <<YOUR FULL NAME>>, the Declarant, am of lawful age and sound mind, am competent for testifying as a first-hand witness, and am telling the truth, voluntarily relating the following first hand knowledge of the facts and stating that these facts are true and represent the best of my knowledge.

I was delivered out of my mother's womb on November twenty-eighth, in the year of the common era one thousand nine hundred seventy in <<CITY>>, <<YOUR COUNTY'S NAME>>, <<YOUR STATE>> Republic, united states of America not within any federal district, nor within any territory or possession of any federal district. My Citizenship is in Heaven as per Philippians Chapter three, verse twenty. Heaven is my eternal home and I am under the exclusive jurisdiction of the King of Kings and Lord of Lords.

By virtue of being a Sovereign, Judicial Power Occupant on the soil in the portion of the continent of North America commonly known as <<YOUR STATE>> Republic, I am also a Judicial Power Occupant of the United states of America and empowered with all of the Rights, privileges, and immunities recognized in the Constitution for the United States, which Constitution is a binding contract upon the government of the United States and is enforceable in the courts under the statute of frauds.

I am not, nor have I ever been a citizen or subject of the United States, nor any of them, as contemplated by the so-called fourteenth amendment of the Constitution for the United States.

This document is the preparation of the undersigned.

Before the Almighty God and under His statutes, I declare that the foregoing is the truth in accord with the best of my knowledge on this tenth day of the third month in the two thousand and fourth year of common era.

# AFFIDAVIT RELEASE OF APPOINTMENT

I, <<YOUR FULL NAME>>, the affiant, am of lawful age and sound mind, am competent for testifying as a first-hand witness, and am telling the truth, voluntarily relating the following first hand knowledge of the facts and stating that these facts are true and represent the best of my knowledge.

I was born on twenty-eighth day of the eleventh month in the common era one thousand nine hundred seventy in <<YOUR STATE>> Republic, the offspring of <<FATHER'S SULL NAME>> senior and the child of Carolyn Marie Glover. I am not now and never have been a British subject. My parents are not now and have never been British subjects.

This Release of Appointment functions as a NOTICE under 15 Statutes at Large, Chapter 249 (Section 1), July 27, 1868 and serves as notice unto all government employees that the below signed Citizen may legally and lawfully expatriate out of the jurisdiction of the United States into the Jurisdiction of a Sovereign state and claim state Citizenship.

This is a Release of Appointment made under the Michigan Compiled Law 556.119, et seq. and constitutes a *Rescission of Contract*.

At the age of under eighteen years, I was under the mistaken understanding that the law required that I have or use a Social Security Card before I could receive an exchange for the personal resource known as my labor. Under mistake, I used a Social Security Card and was issued the number of <<YOUR SSN>>.

The contract that resulted in the issuance of the above Social Security Number is invalid because I did not have legal capacity under the age of eighteen years for signing a binding contract.

One of the purposes of Social Security Act was the assistance of the United States in the efforts toward remedying the condition of bankruptcy. Whereas, over sixty years have passed after the initiation of the Social Security Act with no progress being made toward ending the condition of bankruptcy AND whereas it is a well established evidentiary presumption that any sane person intends the natural and probable results of their deliberate acts, then I have the right of presuming that the administrators of the Social Security Act are either insane or intentionally committing fraud. Whereas, the presumption is that either one or the other of the foregoing scenarios is true, the contract resulting in the above Social Security Number is null and void, either through lack of capacity on the part of the Social Security Administration by reason of insanity or by lack of enforceability through fraud.

Because the supreme Court has determined that fraud vitiates the most solemn contracts and even judgments, the Social Security Card that was issued bearing my name is null and void, ab initio, as if it had never been issued, because of fraud by the Social Security Administration.

<<YOUR FULL NAME>> is hereby and herein completely released out of the Social Security contract under Michigan Compiled Law 556.118(4) with consideration paid over for <<YOUR FULL NAME>> by the Social Security Trust Fund of all money and funds that have been paid into the Social Security Trust Fund on behalf of <<YOUR FULL NAME>>. Said release is absolute and irrevocable under Michigan Compiled Law 556.119 and upon fulfillment of consideration by the Social Security Trust Fund, the Social Security Administration is unconditionally released out of all obligations on behalf of <<YOUR FULL NAME>>, without consideration for the Social Security Administration under Michigan Compiled Law 556.118(4).

I am hereby demanding that all moneys and funds that have been paid into the Social Security Trust Fund on my behalf be withdrawn and delivered into my possession within thirty days. Failure by non-delivery of all monies or funds paid into the Social Security Trust Fund on behalf of the Claimant is deemed as permission granted by the administrator of the Social Security Trust Fund for suing the said administrators of the Social Security Trust Fund in their personal capacities in a court of competent jurisdiction. When the moneys and funds are not delivered into possession of the Claimant,

in full, within thirty days of delivery of this AFFIDAVIT, then the presumption is valid that the Social Security Trust Fund can not pay because the fund is bankrupt. Failure by non-delivery of moneys and funds due for <<YOUR FULL NAME>> within thirty days is deemed a waiver of all defenses, including but not limited by, affirmative defense, legal defense, meritorious defense, partial defense, peremptory defense, personal defense, real defense, or equitable defense by the Social Security Administration as well as the Principal and agents of the Social Security Administration.

Notice unto Principal is notice unto Agents. Notice unto Agent is notice unto Principal.

The above-described Social Security Card is enclosed for cancellation.

This document is the preparation of the undersigned.

Before the Almighty God and under His statutes, I declare that the foregoing is the truth in accord with the best of my knowledge on this tenth day of the third month in the two thousand and fourth year of common era.

**AFFIDAVIT**  
**REVOCAION OF SIGNATURE, FOR GOOD CAUSE**

I, <<YOUR FULL NAME>>, the affiant, am of lawful age and sound mind, am competent for testifying as a first-hand witness, and am telling the truth, voluntarily relating the following first hand knowledge of the facts and stating that these facts are true and represent the best of my knowledge.

Because the Internal Revenue Service, through false information, concealment of information, disinformation, misinformation, and misdirection is intentionally misleading me into believing that I have a legal duty of providing them with information, I am hereby revoking my signature, for good cause, off of all filings of any " Form 1040," "form W-4," and any associated forms which I have submitted/mailed/filed between the year 1985 through 2004 and those forms are hereby made void, ab initio, and are no longer usable for any legal purpose.

I was misinformed and misled into the mistaken belief that there was a legal requirement for having a Social Security Number before legally exchanging my labor for compensation. Deliberate misrepresentation of the facts by the Internal Revenue Service and Social Security Administration causes damage upon my property and my rights, which is fraud by the Internal Revenue Service and Social Security Administration. I am revoking, rescinding, repudiating, and rejecting the power of appointment of the Internal Revenue Service. I am not eligible for any federal benefits or survivor benefits, nor am I liable for the debts of the United States Government.

This document is the preparation of the undersigned.

Before the Almighty God and under His statutes, I declare that the foregoing is the truth in accord with the best of my knowledge on this tenth day of the third month in the two thousand and fourth year of common era.

I am hereby and herein demanding the delivery of the signature card into my custody.

Conditions that justify revocation of signature, are various elements of fraud including, but not limited by, fraud in the inducement. The full particulars of the contract that I was signing were not available for my inspection nor were the full particulars of the contract ever at any time offered for my inspection.

Through fraud by concealment, I was misled into believing the form was for a different purpose than that for which the form is actually used.

## NOTICE AND DEMAND

**Whereas**, the Social Security Administration (SSA) is in possession of <<YOUR FULL NAME>>'s *Declaration of Earthly Occupancy* and *Instrument of Release* showing release of appointment over the person and property of <<YOUR FULL NAME>>; and,

**Whereas**, upon delivery for <<YOUR FULL NAME>> of all deposits made into the Social Security Trust Fund on behalf of <<YOUR FULL NAME>>, the Social Security Administration is released from performance on all obligations under contract; and,

**Whereas**, the SSA is in receipt of my Notice under Fifteen Statutes at Large Two hundred forty-nine that I am leaving the jurisdiction of the federal government of the United States and claiming expatriation onto the soil of <<YOUR STATE>> Republic, which is where I live.

**THEREFORE**, any use of the above-given Social Security Number for identifying <<YOUR FULL NAME>> is a deprivation of rights of life, liberty, and property and a violation of security of the person, property, and papers of <<YOUR FULL NAME>>; and

**AFFIDAVIT**  
**REVOCACTION OF SIGNATURE, FOR GOOD CAUSE**

I, <<YOUR FULL NAME>>, the affiant, am of lawful age and sound mind, am competent for testifying as a first-hand witness, and am telling the truth, voluntarily relating the following first hand knowledge of the facts and stating that these facts are true and represent the best of my knowledge.

I hereby revoke my signature, for cause, from any “application for voter registration(s)” for any county within the State of Michigan.

I am hereby and herein demanding the delivery of the signature card into my custody.

Conditions that justify revocation of signature, are various elements of fraud including, but not limited by, fraud in the inducement. The full particulars of the contract that I was signing were not available for my inspection nor were the full particulars of the contract ever at any time offered for my inspection.

Through fraud by concealment, I was misled into believing the form was for a different purpose than that for which the form is actually used.

This document is the preparation of the undersigned.

Before the Almighty God and under His statutes, I declare that the foregoing is the truth in accord with the best of my knowledge on this tenth day of the third month in the two thousand and fourth year of common era.
